

## **Attention APL Captains / Players**

**Bring in a new pool team next session and earn a high quality "Players Cue". This cue retails anywhere from \$125.00 to \$150.00. Player that brings the team in must be on an established team in good standing. New team must be in good standing with no balances due. Teams that drop out for a session and come back do not qualify as a new team.**

**Call the office for any questions.**
